

By car: GPS coordinates are: 36.905488, -4.28802

Leaving the parking follow 'MALAGA'.

On your way to Malaga, you start following 'Granada/Sevilla' from the moment you can for about 20km.

Take now the exit 124 Casabermeja.

Take right direction Colmenar, **before the roundabout !!!**

One kilometer further you get on the A356. Take right, direction 'Velez Malaga'.

Continue on this road until you see Riogordo (less than 20km).

Be carefull, most GPS systems send you via Colmenar. DO NOT take this even if the way is more beautifull!

So the exit for Riogordo goes up a bit and then you take right.

The road goes steep down to the village. Follow the first to the right.

At a certain moment there is a turn to the left, you go straight on. Continue and keep right.

At the 5-cross road with a tree in the middle, take 2nd to the right, you leave the village now, go into nature.

Follow this road, pass a water purification system and next house on right side is ours. The parking is steep down, near the house!

Welcom
